Subscription (Classes 13, 14, 15 & 16)

I understand that the subscription is payable on election and is pro-rata the number of months remaining in the Lewes Golf Club subscription year, which runs from 1st April. I have the choice of paying the subscription in full on election or by paying in monthly instalments by Standing Order with a handling fee of £4 per instalment, with the final instalment being paid in February.

Subscription (Classes 11 and 12) - Playing Fee

I understand that the subscription is payable on election and is not pro-rata. The subscription year runs from April 1st. I have the choice of paying the subscription in full on election or paying in 4 monthly payments by Standing Order with a handling fee of £4 per instalment. Applications received for membership from October in any year will pay 50% of the subscription for that year.

I undertake to pay the Playing Fee each time I play, and understand that I must pay the Playing Fee **before** play. Any abuse of this procedure will be treated as a serious breach of rules by the Committee and could result in expulsion from the Club.

Please complete the "Month of Commencement" at the top of page 1.

Members will then be invoiced from that date once the application process is complete.

The Secretary will write to you on receipt of your Application Form with a letter to present at the Pro Shop to enable you to take advantage of this facility.

- * **All Applicants have the option of playing whilst application is being processed.
Playing Fee Applicants will be asked to pay the Playing Fee of £12.00 per round.**
